

Recertification for Tilt-Up Technician and Supervisor Education Verification Form 2024/2025

Name of Candidate: _____ Certification ID/Last 4 digits of SSN: _____

Address: _____

City: _____ State: _____ Zip: _____

Employer: _____ Employer's Phone: _____

I authorize those whom I have given as references to furnish to ACI or its agents information concerning my education and other background relevant to the stated requirements of the ACI certification programs. I agree to release and hold harmless any individual, company or institution, including ACI, the Tilt-Up Concrete Association, and any persons connected therewith from liability imposed by law in furnishing such information. I understand that untruths or misrepresentation contained herein constitute grounds for denial of certification.

Signature of Candidate

Date

INSTRUCTIONS

When seeking recertification for ACI Tilt-Up Supervisor or Technician, you must complete 10 hours of approved continuing education during the 5-year certification period. If your Tilt-Up Supervisor or Technician certification has lapsed by more than 2 years, you must recertify by successfully passing the then-current Tilt-Up written exam.

The 10-hour requirement is waived if you attend six 90-minute seminars (9 hours). Hours can be from multiple events (e.g., 5 hrs from WoC and 5 hrs from TCA), taken within the 5-year period. Credit will be given for only one course if the same course is taken multiple times during this period.

This form only lists approved courses for select venues during 2024/2025. Additional forms are available [here](#).

Check off all courses taken and fill in the date attended. Send this form, proof of completion documents (certificates, enrollment, etc.), [Recertification Payment Form](#), and payment to:

ACI Certification
ATTN: Exam Processing
38800 Country Club Drive
Farmington Hills, MI 48331

Venue: 2024 Tilt-Up Future Think 4.0

Course Date

- Affordable R&D and the Future of Construction Innovation (1 hr)
- Musings on Futurity (0.25 hr)
- Session 1: Materials & Methodologies (90 min)
- Session 2: Digital Integration (90 min)
- Session 3: Eco & Ethos (90 min)

Venue: 2025 World of Concrete: 3-Hour Seminars**Course Date**

Venue: 2025 World of Concrete: 4-Hour Certification Seminars

Course Date

- MO401** ACI Post-Installed Concrete Anchor Installation Inspector Review Seminar
- MO403** ACI Specialty Commercial/Industrial Flatwork Finisher & Technician
- TH411** ACI/TCA Tilt-Up Technician/Supervisor Review
- TU406** ACPA Concrete Pump Operator Safety Review
- TU408** ACI Concrete Field Testing Technician - Grade I Review
- WE409** ACI Concrete Flatwork Associate, Finisher & Advanced Finisher Review Seminar
- WE410** ICRI Slab Moisture Testing Technician Review

Venue: 2025 World of Concrete: 4-Hour Hands-On Training

Course Date

- THSTS1** Surveying with Total Stations - Basics for Beginners
- TUSTS1** Surveying with Total Stations - Basics for Beginners
- TUSTS2** Surveying with Total Stations - Basics for Beginners
- THSTS2** Advanced Surveying with Total Stations
- WESTS1** Hands-On Training: Advanced Surveying with Total Stations
- WESTS2** Hands-On Training: Advanced Surveying with Total Stations

Venue: 2025 World of Concrete: 1-Hour WOC Fast Facts

Course Date

- MOFF01** How to be an Effective Trainer
- TUFF02** My Concrete Was Rejected! Challenging the System & Gaining Acceptance
- WEFF04** Importance of Water Control in Quality & Durable Concrete
- WEFF05** 15 Best Practices: Field, Leadership, & Management
