

Concrete Institute of Australia

Presented by:
Mr David Millar
CEO, Concrete Institute of Australia

ACI International Forum
ACI Spring 2019 Convention, Quebec City

About Us

The Concrete Institute of Australia

Mission

The mission of Concrete Institute of Australia is to promote and develop excellence in concrete research, technology, application, design and construction.

Vision

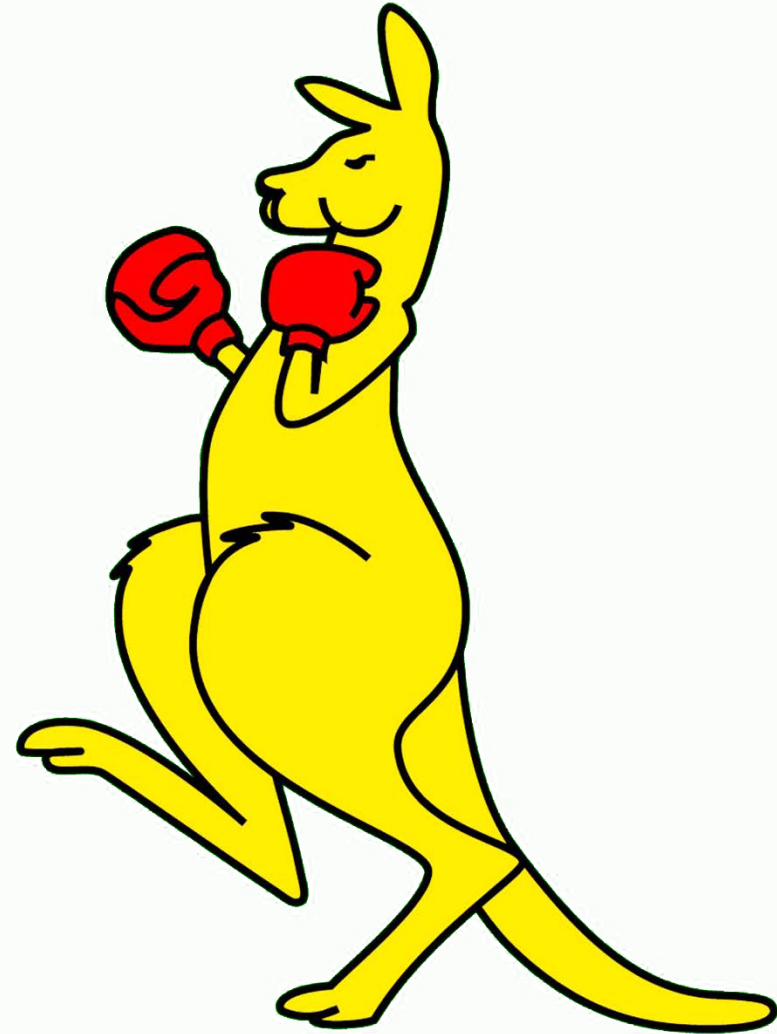

Excellence in Concrete

About Us

The Concrete Institute of Australia

- Started in 1970 – getting close to 50!
- Over 3000 Members
- Board, Council and 6 State Chapters
- Strategic Committees – Membership, Technical, Standards, Education, Recognition, International, Journal, Planning
- Journal – “Concrete in Australia”, quarterly to 6000+ people
- 2019 – 80+ events, > 4,000 delegates
- Biennial conference – last held in 2017 in Adelaide in 2017 to 550 delegates.
- 11 staff (only 4 full time) – we punch above our weight

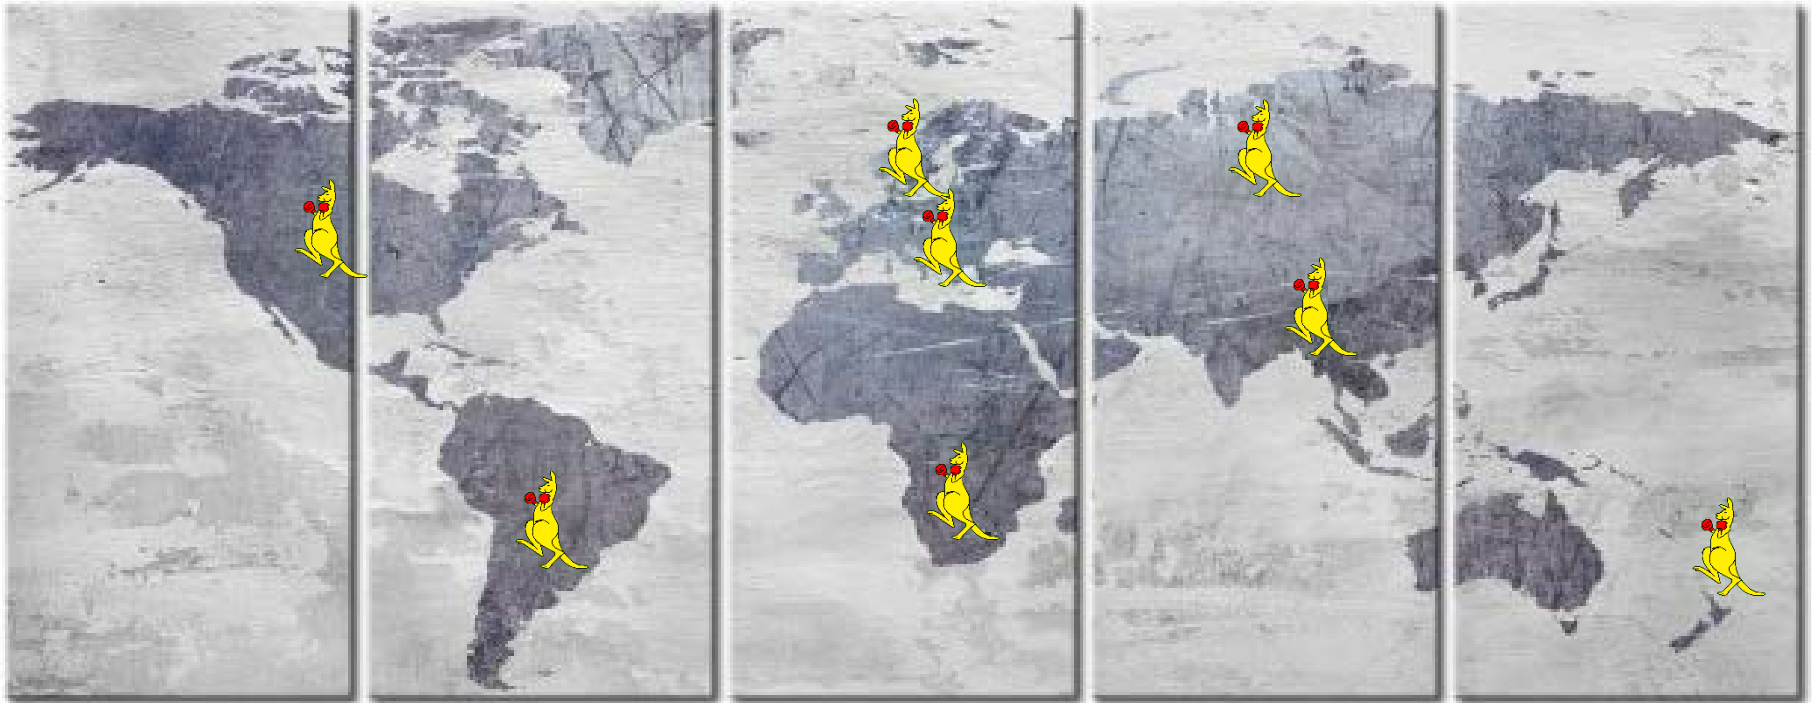

About Us

The Concrete Institute of Australia

- Mentor program for all members – now over 12 months old and going strong
- Young Members Group – both local and international
- **Awards for Excellence in Concrete** program for 2019 – over 50 entries all from within Australia
- Online learning portals – webinars/modules
- Face-2-face learning still a big part of professional development
- Contractors focus in all aspects of our organisation
- Social media communications on the rise

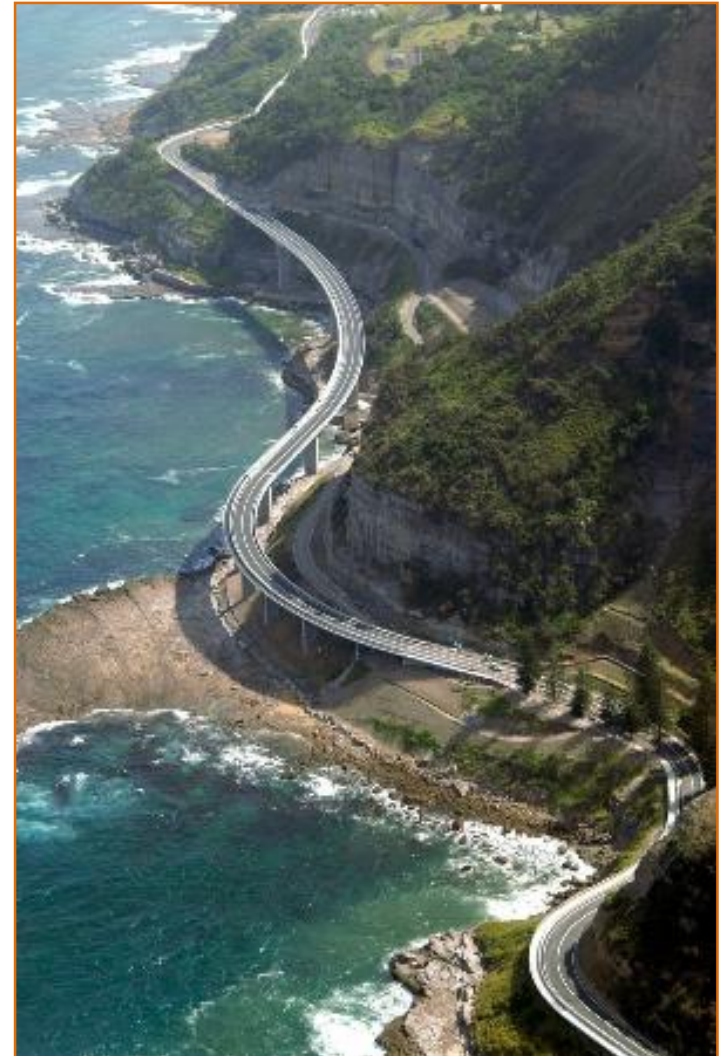

CIA and the World

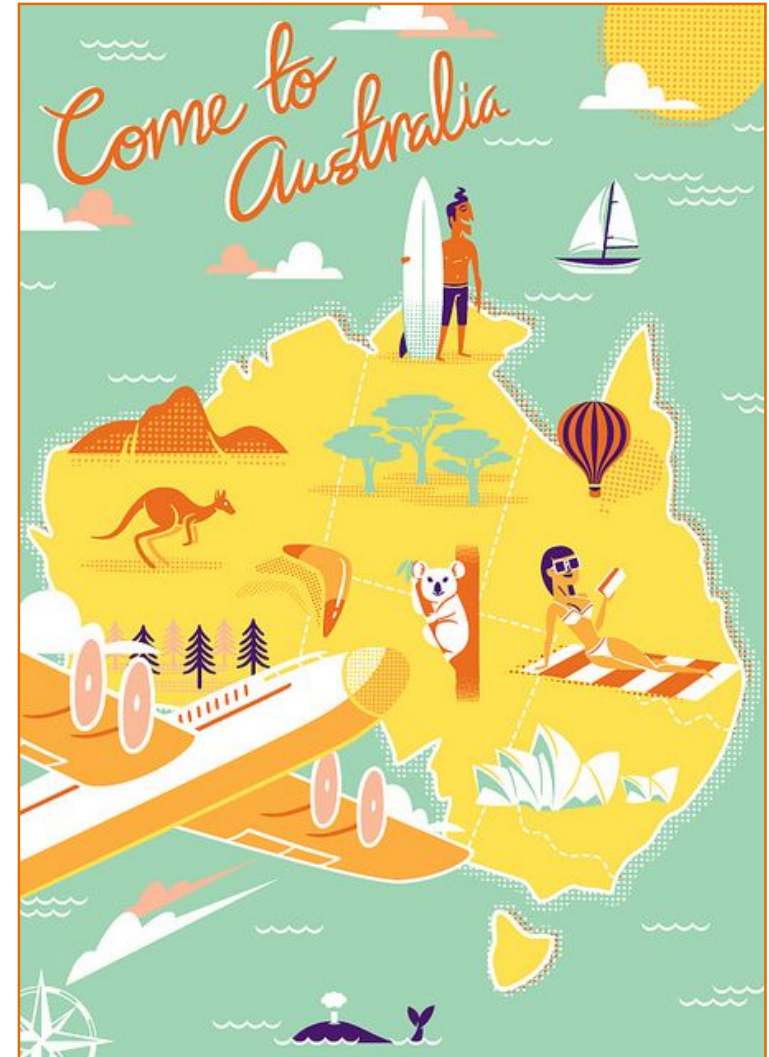

International Technical Committees

- Big focus on durability in Australia
- ACI 201 – may be interested to know Z7/02 Exposure Classification has been released.
- It goes hand in hand with:
 - Z7/01 Durability Planning
 - Z7/04 Good Practice
 - Z7/06 Concrete Cracking & Crack Control
 - Z7/07 Durability Testing
- Z7/05 Durability Modelling – early 2019

International Conferences

- 2015
 - 67th RILEM Week held in conjunction with Concrete 2015 (Melbourne)
- 2017
 - 3rd International Congress on the Durability of Concrete (ICDC) held in conjunction with Concrete 2017 (Adelaide)
- 2018
 - International Federation for Structural Concrete (*fib*) – *fib* V Congress (Melbourne) – 700 delegates from 30 different countries
